DETAILED ACTION

Allowable Subject Matter

Claims 1- 16 are allowed.

The following is an examiner's statement of reasons for allowance:

None of the prior art, either singularly or in combination, fairly teaches or suggests applicant's claimed invention wherein applicant recites "object determination means that determines which part objects within a predetermined area in the aggregate object are objects to be changed in display form when an impact is applied to the aggregate object thereby simulating breakage of the aggregate object where at least one part object spatially separates and remains separated from the aggregate object and the impacted position is included within the predetermined area."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
